

# TECHNICAL RIDER - LIFE OF TREE

The installation can be build-up outdoor or indoor and in unusual places.  
The dresses are light sculptures, so they give light in the dark.  
The dresses are disposed on a holder and are used as decor for the performance.

## # DURATION:

Installation 6 hours  
Dance performance 3 x 20 min

## # SPECIFICATIONS:

Poetry installation with dance performance

## # AUDIENCE QUOTA:

200 p/performance

## # NUMBER OF PERSONS:

4 p.

## PROVIDED BY THEATER TOL

### # GENERAL FEATURES FOR SOUND:

Theater Tol brings her own sound system which is attached on each dress of the installation.

## PROVIDED BY THE FESTIVAL

### # GENERAL FEATURES FOR LIGHT

Only if a performance takes place after sunset, additional theatre/stage lights need to be provided.

### # STAFF & SECURITY

1 helper to build-up and secure on sight.  
Build-up 4 hours. Installation needs to be secured during the absence of the Theater Tol-crew at night, during meals and break by minimum 1 volunteer/security.

### # TECHNICAL ROOM:

A technical room with 5 points of electricity (electrical SHUKO'S) for loading the batteries, Can be done in the dressing room.

### # MATERIAL:

If the dresses of the installation have to be hung (in trees), we need 2 big ladders. Depending height a platform (electrical ladder) can be necessary instead of the 'normal' ladders.

### # INSTALLATION/DANCE PERFORMANCE SPOT:

- If only installation: 2 m<sup>2</sup> per dress (each dress is 2,6 meter high by 2 meter wide). The dresses can be installed separately of each other.
- Installation + dance performance: minimum 16 meter width and 8 meter depth

### # DRESSING ROOM:

A lockable dressing room with 1 table and 5 chairs, drinks (cold & hot), a cloth rack and a man size mirror.

### # LODGING & ALIMENTATION:

LODGING: 2 twin- rooms or 4 single- rooms with breakfast, depending distance and hours.

ALIMENTATION: 2 healthy meals/day for 4 persons

### # PARKING

Free and safe parking for 1 van, nearby location.
