

GENERAL TECHNICAL RIDER PIGS BURLESQUE

Pigs Burlesque: Burlesque pigs glide through the streets on roller-skates. They are loved by their elegant guide and strict circus director. They skate through the streets, through town squares, in buildings and amongst the audience. The pigs laugh and want everything. They have no restraints and do not hold back. Bloated bellies stick together, turning around will not work. The pigs, full of personal wealth, oink, dance, jump, kiss and get down.
